## Help us invest in Chippenham

# The Range are proposing to build a new regional distribution centre and The Range store in Chippenham.

### The proposals will:

- Create up to 1,000 new job opportunities
- Boost Wiltshire's economy by £31m per year
- Support local businesses through construction and service contracts
- Deliver long-term investment in Chippenham by one of the UK's most successful retailers

All of the responses will be analysed by First Chippenham and a summary will be shared with Wiltshire Council.
